

Homer-Center Student Assistance Program

*SAP is available to help any student who is having a problem, inside or outside of school, that causes them to struggle.

*To get help through SAP, either see a SAP Team Member or drop a note in the SAP box, located in the Guidance Office.

*Parents can also refer students to SAP. There is a SAP referral form at www.homercenter.org.

*To identify SAP Team Members look for a yellow triangle.
